50 SHADES OF SILENCE

50shadesofsilence.com

A GLOBAL MOVEMENT GIVING **VOICE** AND **DIGNITY**
TO VICTIMS OF **CYBER HARASSMENT** AND **ONLINE CRIMES**

Imagine waking up one day to find harassing memes, nude pictures and videos of yourself online. Images that you were not aware existed, you did not approve of and have no control of removing. The person who committed this atrocious act, you once lived with and loved, lives in a different country and wants to humiliate you and destroy your reputation, and no legislation or law enforcement can prevent this from occurring or ensure those pictures are removed.

This happened to Darieth Chisolm, and as a survivor of cyber sexual rape, cyber stalking, harassment, and extortion, Darieth decided to use her story, her voice and her platform to form 50 Shades of Silence.

Specifically as the founder, creator and executive producer of 50 Shades of Silence the documentary, Darieth aims to advocate for stricter laws and tougher enforcement for cyber sexual crimes; encourage the accountability and responsiveness among online companies; promote social responsibility for texting, posting and sharing online; and restore dignity and respect to victims and survivors.

50 Shades of Silence is a multimedia project that includes an upcoming documentary, anthology, website with resources, a social justice & media awareness initiative and a fundraising crowd fund campaign.

See the website for media coverage, facts & figures, resources, support and more about the upcoming documentary.
